ECON Elective: 300/400 Level	3	
ECON 494 or 300/400 Level	3	
ECON Elective: 300/400 Level	3	
Total hours	15	

Notes/Comments: This plan is an example of what a four year plan could look like for a typical student. Placement exam scores in math as well as the completion of coursework may change the plan. It should not be used in the place of regular academic advising appointments. All students are encouraged to meet with their advisor each semester to discuss course scheduling. All requirements are subject to change by NIU. The department strongly suggests that if students are considering attending Graduate School, that they obtain a minor in Mathematics.
